"Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!" 2 Corinthians 5:17

Some of this past weeks highlights include:

Chapel with Mrs. Tammy (Blake's mom) in which she used charades, music, and props to compare us and our relationship with God to snowflakes! We know that like snowflakes, we are unique and when we come together in Christ we can accomplish great things. Unlike snow, God's love for us does not melt!

After learning/reading about the Northern Lights, we decorated our playroom tent with "snow" and iridescent streamers to simulate the ambiance of the Arctic! We also created beautiful Northern Lights chalk rubbings. Look for these at the art show!

Our Atrium lesson was about the care of our metal objects of the altar. We discussed the various duties of an altar guild and the types of metals and polishes needed to keep them clean. The children took turns polishing our prayer table bell and relished the instant gratification of seeing the transformation of tarnished to shiny!

We finished the week with a Groundhog Day book, craft, and song. See if your child remembers which state Punxsutawny Phil hails from and whether or not he saw his shadow!

Announcements:

Payment is due for chaperones attending Songs of the Soul: Laura Ann, Tammy, Ann, Zooty, Lauren, Nettie, Amy. The cost is \$15.

Don't forget about our service project, the book drive at CMoR. CMoR collects gently used books, so check your home library for duplicates you can pass on. For more book drive info, visit <http://www.c-mor.org/full-menu/book-bank/>.

During this season of illness, please remember to keep your children home if they have a fever or vomiting/diarrhea **for 24 hours** past the time of their last episode without the aid of medication.
