The people who walk in darkness have seen a great light! Isaiah 9:2

We were introduced to the Prophet Micah in the Atrium this week. He foretold the coming of a great ruler out of a small, seemingly insignificant place. The children knew immediately the great ruler was Jesus! We wondered about the mystery of God, that such an important person could come from small place.

Our theme of Light continued during our Fall party, as we explored a black light and strobe light. We danced in the unusual light with scarves and instruments. We read about the life cycles of leaves and apples, played a pumpkin ring toss game and spider web game, and created and enjoyed a special scarecrow treat!

Also this week, we made applesauce and began dehydrating apple slices, mimicking the food preservation methods of the Native Americans, who we began reading about this week.

Other highlights of the week included a wood burning project and spider web making.

Announcements:

There will be no Aftercare past 2pm on Mon Dec 3, Mon Dec 17, Tues Dec 18. I apologize for the inconvenience.

The Dance Candle class would take place on Wednesday afternoons from 1-1:45pm, running from January through June, at a cost of \$50 per month. We need one more person to sign up to make it happen. So far, we have interest from Rowan, Cora, Julianna, Vivian.

School pictures have raised \$800 for the school, before the cost of the albums! This is unprecedented. Many, many thanks to Candice for making this happen!

Please keep in mind that weekends are my break from work, just as they are for you and your job. If you do not receive communication from me regarding non-time sensitive requests, please kindly wait until Monday. Thank you.

Making spider webs
