And he said: "Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven. Matthew 18:3

This week, we have been reading books about honeybees and exploring the tools of a beekeeper. We even tried on a beekeepers costume! We know about the parts of the hives and the different jobs of the bees based on age and gender.

We've also been reading about pirates, and did a science experiment in which we made treasure bombs that "exploded" to reveal treasures of coins for us to keep! This was a fun way to reinforce coin names and values. We also learned why pirates wear eye patches and have birds as pets.

Many thanks to Mr. Jason (Grace's dad) for hosting our chapel lesson this week. We heard a psalm of thanksgiving and named many of God's blessings we are thankful for in our lives.

In the Atrium, we learned about the Prophet Micah and the Prophecy of Bethlehem. We know that not only does a prophet receive a message from God, he tells many people the message, and sometimes waits his whole life (and beyond!) to witness the fruition of the message, but always has faith in God and the message they receive from Him.

A great time was had by all at the Fall party on Friday! Lots of crafts, a candy apple bar for snack, an Arana (Spanish spider) game, and bat echolocation/ scent games rounded out the day!

Announcements:

Workdays: We need painters and supplies, cleaners, and workers with toolboxes for light repairs and removal of fixtures. **These dates are: Friday, Nov 3 (teacher workday- no school), Saturday Nov 4, and Saturday, Dec 2, from 8:30 -3:30.** You do not need to stay for the whole day. **Please RSVP with Mrs. Mary via email.** Joshua's mom, Vivian, has offered to watch the children on the playground at the new church while parents work on Saturday, Nov 4. **Please, no children on the Friday Nov 3 workday.** No childcare will be offered on the Dec 2 date.

Painting the continents on our pumpkin globe
